Using the index: Most of the feature material has been indexed at least three ways – once by the title, again under the author's last name, and finally by subject, usually falling under at least one of the MR subject categories.

An asterisk (*) preceding an entry indicates a feature by its title.

These are the MR subject categories:

- Basic model railroading
- Biographical sketches
- Cartoons
- Computers in model railroading
- Concept, inspiration, and commentary
- Construction articles
- Control and electrical
- Cover photos

These are the indexed MR departments:

- DCC Corner
- Editorial Features (From the Editor)
- Information Desk
- Model Railroading is Fun
